Newsletter

We are excited to launch our new Newsletter!

It's been a long time since we have been able to publish a Newsletter. Te Iwi o Rakaipaaka Group has been working tirelessly to get our iwi communications back up for you to be kept up to date with what we are working on for all of our Ngati Rakaipaaka Whanau / Beneficiaries. With our new Newsletter we are hoping to release an issue once a month, so stay tuned for what is new with your iwi.

WE ARE SEEKING A NEW LOGO!

Refer For Proposal (RFP) to Commission an Artist to develop a new Logo for Te Iwi o Rakaipaaka

TIORT/TIORI (The Group) is excited to announce that we are going to Commission Artwork for a new Logo. The selected logo will need to represent Te Iwi o Rakaipaaka, Nga Whare rau O Te Tahinga and our seven marae within our rohe kainga of Nuhaka. Also acknowledging our tipuna that fought the Crown under TIORI to get the iwi where it is today to the current Te Iwi o Rakaipaaka Trust and how the iwi will move into the future.

Combining the two TIORT / TIORI entities will create the entity identity Te Iwi O Rakaipaaka to represent the strength and endurance of it's people from the past, present and future.

We would love to hear from you about topics you would like to see in your Newsletter

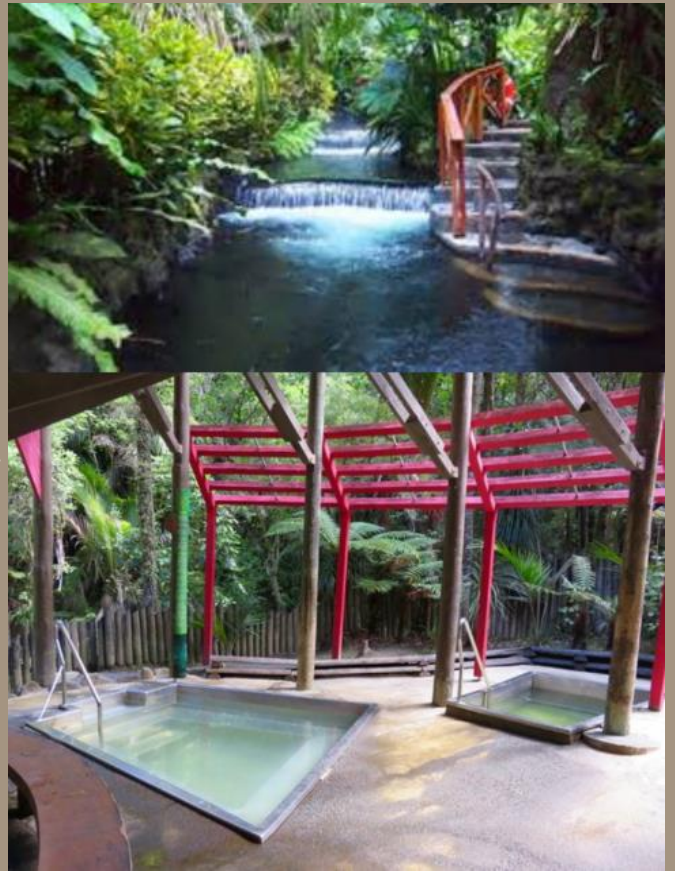

If you or anyone you may know, would be interested in putting

a proposal forward for your artwork to be considered, you can go to our website for more details – www.ngatirakaipaaka.iwi.nz or alternatively, contact us directly at info@ngatirakaipaaka.iwi.nz or call us on 06 8378 885.

Morere Cultural Values Assessment update...

Ngati Rakaipaaka have been offered an opportunity to re-shape Morere Hot Springs. This means we as Ngati Rakaipaaka can have a say about what should happen in and around our Taonga. Many of you would have met our support expert Tina Porou who facilitated workshops to gauge what you would want to see happen at Morere Hot Springs and we received awesome feedback resulting in a number of recommendations to Department of Conservation (DoC) who are now reviewing the CVA to determine where they are able to commit resources to support our Ngati Rakaipaaka whanau whanui aspirations for Morere Hot Springs.

A copy of the CVA Report can be found and downloaded from our website:

Bereavements / Tangi

Over the past couple of months, we have mourned for our whanaunga, our pakeke, our rangatira, our taonga. And have had to endure the compromising of our tikanga values imposed on us by this COVID-19 Lockdown. However, we will let you know when the memorial service for Patriarch, Koro Matenga Hapi will be held – watch this space

This evaluation about the Rakaipaaka Day 2020 is to encourage your feedback on how you as a valued member of Rakaipaaka thought the day was organized, how the activities throughout the day went and whether the purpose was met, therefore, we want to encourage you all to complete a short questionnaire to provide your thoughts and how the Annual Rakaipaaka Days will be 'organized' in the future.
